Thursday, October 1, 2020 | 12:00PM - 1:00PM

YWCA NORTHEASTERN NY PRESENTS

Exposure to Abuse

A VIRTUAL PANEL DISCUSSION

Join us for a live discussion, as we hear from survivors on how the trauma of domestic violence impacted them as children, and how it continues to manifest as adults. Experts weigh in and share about what they are seeing and what New York is doing to support survivors and their families.

Visit www.ywca-neny.org/october for the link to view the panel.
