

membership policies & form

Membership in the YWCA is not only essential to utilizing our classes, programs and child care, it is a statement of support for the goals and the mission of the YWCA.

Children under the age of 11 are included in parent or guardian's membership. Men are also invited to become associate members; however, they will not receive the voting privileges of membership.

Information from the membership form will help the YWCA make plans to serve our community more effectively. Information is voluntary and failure to complete this form will neither affect your membership nor be used for purposes of employment.

registration and refund policy

To register for a program or class, payment must be made either by purchasing a plan or paying a drop in fee. Refer to previous page for fitness plans and drop in rates. We are unable to reserve a space in class until we have received payment, which is due prior to the beginning of the class or program. **When you register for a class, please make sure to bring your current membership card.**

A \$30 processing fee will be charged for all returned checks. We strive to offer a variety of pricing options that meet your individual and family needs. **Please note that children under the age of 15 may not participate in adult aerobic or weight training exercise programs without the Coordinator's permission.**

The YWCA reserves the right to cancel any class. Classes and activities may be cancelled or postponed due to insufficient registration, inclement weather, or unforeseen circumstances. Every effort will be made to notify those registered. If a class is canceled by the YWCA, members may receive a credit voucher or a refund. Voluntary absence from a class does not reduce the cost of operating a class — for this reason, we can not provide individuals a refund or credit even if the absence is unavoidable.
