YWCA NorthEasternNY presents TRIVIA night fundraiser

I am raising money for YWCA NorthEastern NY, a non-profit in Schenectady, NY, by participating in their 4th Trivia Night Competition. YWCA NENY provides programs and services to nearly 7,000 people each year which include comprehensive domestic violence support services, safe & affordable housing for homeless and low-income women, economic empowerment programs, and two accredited early learning centers. Will you sponsor my team with a donation? Thank you for your contribution!
