

As YWCA NorthEastern NY's premiere event, the Achievement Awards (*previously known as Women of Achievement*) recognizes remarkable individuals in the community who have demonstrated extraordinary achievements throughout their career and/or community involvement. The luncheon brings together hundreds of individuals, from near and far to celebrate and support the exceptional individuals chosen to receive these prestigious awards each year.

Directly following the luncheon, a champagne toast will be available to honor Achievement Awardees, past and present, as well as event sponsors.
